TOWNSHIP BOARD MEMBERS QUESTION NOTIFICATION

by MARGARET E. O'KELLEY

The January 9 Township Board meeting ended on a rocky note when several Trustees questioned the propriety of calling a special Board meeting scheduled for January 8.

To understand the serious aspect of a potential violation of the Open Meetings Act, *The Huron River Weekly* would like to provide the readers with some recent history on the subject.

The Weekly first became aware of a gathering scheduled for January 8 when it received a phone call from Washington D.C. We were asked about a meeting scheduled for that day in the Township. We were told the meeting was to discuss a third bridge over the river. We told the caller we were not aware of a meeting and that we would check it out.

We spoke to several Board Trustees and they indicated they had not been notified of a meeting.

As you know *The Weekly* has been covering LDFA's effort to raise interest in building a bridge off South Huron Road and connecting to at least the beginning of West Road. When I-275 was built an exit ramp was built there in anticipation of a bridge or a possible East-West Connector.

Previous Township Boards have tried to keep the interest going but never to the extent that it was given serious consideration. Eventually the Township lost interest in the matter and

Wayne County as well as the State of Michigan dropped the matter.

Primarily because of the LDFA's renewed interest, the bridge has once again become a topic of interest. Recently the LDFA presented a proposal to the Township Board that would allow the LDFA expand its authority to include the area of the bridge. Action on this matter is pending Board approval.

During the last month or so several correspondences have been exchanged without the information being provided to Township Board members. Many of the Board members were never told of the meeting nor were given any details.

Following the phone call from Washington D.C. we called Supervisor Mitchell's office to confirm the meeting. We called on January 3 and the Supervisor was not available. We spoke to his secretary and she told us there was a meeting scheduled and that it was not open to the public.

The Township Board held a special meeting later that day to hear a presentation by the Capitol Improvement Committee regarding the proposed new municipal complex. The proposed meeting of January was not discussed nor was any written information provided to the Board at that time.

The Monroe Evening News in their Saturday, January 5 edition reported that a special meeting had been called for January 8. It was also learned that on the same date the article came out that the special meeting had been posted in the Township Hall. This notice was placed in the boxes assigned to each Board member at the Township Hall. The Township Hall is closed on Saturday.

Only the notice was in the box

— there was no agenda.

Apparently the gathering took place as scheduled and because a quorum was not present an official Township Board meeting did not take place but the meeting still went on. We assume any Board members that attended took no official action nor that any action was taken.

Because *The Huron News* was not told of the public nature of the meeting until the 11th hour we could not make arrangements to attend. We don't know why several Board members did not attend. Perhaps they could not rearrange their schedules or perhaps they did not want to take part in a possible violation of the

Open Meetings Act.

The Weekly has in their possession, a letter dated December 18, 2001 from Supervisor Mitchell to Senator Debbie Stabenow confirming the date of the meeting. We note 34 names were included on the list of invited guests. We note Congresswoman Rivers was not on the list. We note no Township Board members were on the list.

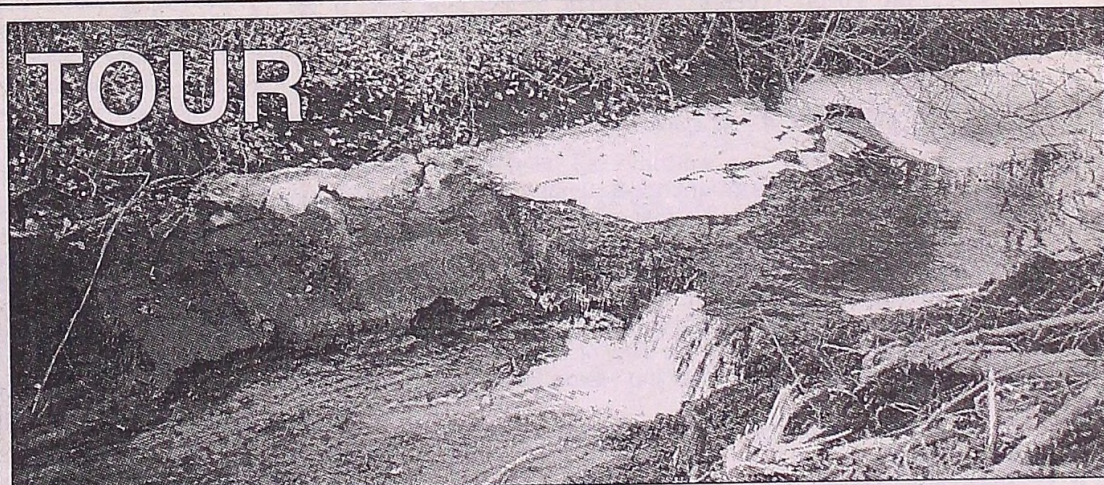

We have another letter dated December 21, 2001 also from our Supervisor addressed to Senator Stabenow again confirming the meeting and Congressman John Dingell was copied on the letter. Our Congresswoman Rivers was not copied on the letter.

The agenda of the regular Board meeting of January 9 (a day after this important gathering) strangely did not have the item on the agenda nor was it suggested by the Supervisor that it be added to the agenda for the purposes of discussion. Instead, the Supervisor decided to gloss over the matter by including it in his verbal report at the end of the meeting.

Because of this, several Board members had to address the issue during their time on the agenda under Trustee comments.

The discussion that followed is worthy of reporting and we have done so on page three of our newspaper.

TOUR

On Saturday, January 12, Huron Township Trustee Larry O'Kelley and this reporter were taken on a tour by the Huron Township Drain Committee Member Bob Zilka. The purpose of this trip was to show us the progress being made on cleaning the County Drains with Huron Township grant funds and Township personnel.

Mr. Zilka first took us to the Silver Creek Drain which is in the process of being cleaned. In the area of the Silver Creek that has been dredged and the trees removed and the water level has been lowered three to four feet. Because of this you are now able to see the underground drains working. (See photo).

The Smith Drain, which runs 3,150 feet within

the Township, has been completed with a cost of only \$5,000, which includes 47 hours wages of a Township employee to operate the Gradall.

Mr. Zilka stated that there is a public act that would allow the Township to begin maintaining the drains ourselves. If this is a definite possibility, then Huron Township should collect the tax revenue and not Wayne County.

Wayne County currently taxes the property owners in Huron Township for drain maintenance. When they rarely clean a drain they special assess the property owners. Question of the day: What is the money being used for and why can't we collect it?

OPEN MEETINGS ACT ADDRESSED BY BOARD

by MARGARET O'KELLEY

At the January 9 Township Board meeting several Board members expressed concern over the way a Special Board Meeting was scheduled for January 8 to discuss the Bridge issue.

To understand the concern of the Board members, the following requirements are needed to call a special Board meeting. It differs from the scheduling of a regular Board meeting.

The Open Meetings Act which is strictly interpreted has the following requirements.

1. The Supervisor or two members of the Board can call a special Board meeting.

2. If a special meeting is called the Township Clerk must give notice of the meeting to each board member either in person or by leaving a written notice at the member's address.

3. The Board members must receive notice at least 24 hours before the scheduled meeting.

It has been the practice of the Board to discuss the need for a special Board meeting at a regular meeting. This eliminates confusion, a notice problem and is common courtesy.

It is rare that a Supervisor would call a special board meeting. It is rare that a Special Board meeting would be called at such a late date particularly when the meeting was in the works for months. It is rare that the notice to the Board members would be placed in a box on a Saturday. Lastly, Board members are accustomed to have board material delivered to them, even to the extent of having them placed on the windshields of their cars. We doubt any Board member objects to any kind of proper notice. However, in this instance there

were serious questions raised by several members of the board.

Supervisor Mitchell chose to bring up the meeting during his portion of the agenda. He reduced this important meeting to a brief verbal report.

He took credit for organizing the meeting and complimented his assistant. He said they worked on the project for three months and that 30 to 40 "rather influential people" attended the meeting.

He said that MDOT was under the impression that the residents were opposed to the bridge. MDOT was told, at the meeting, there were some residents that were opposed to the bridge if it meant West Road would become the East-West Connector.

The Supervisor went on to state that the proposed new Master Plan calls for the paving of West Road but also running a parallel road along Vining Road connecting to Sibley Road which would become a boulevard or a four-lane highway.

He indicated there may be some federal funding for this project because the government was going to look at the nation's entire highway system.

He concluded his remarks by stating, "It was a very positive meeting and we all left with a lot of encouragement."

The Clerk and the Treasurer did not report on the meeting during their remarks.

During Trustee Adkin's report she spoke very firmly about her concerns over the way they (the Trustees) were notified. She said the members should have been given the same courtesy that 34 influential people were given. She noted that she learned about a

possible meeting when a newspaper reported a special meeting was to be held.

Trustee O'Kelley expressed his continuing concern over the lack of communication and the "respect for that communication." He went on to say, "There might have been one or more members that violated the Open Meetings Act."

He lamented that the benefits of such a meeting was overshadowed by the "mismanagement from the Board."

Trustee Mary Lou Carey said, "I too, was very disappointed in not knowing about this meeting." She went on to say that she thinks somebody told the Clerk to file the notice after the newspaper broke the news that a special Board meeting would be held.

She stated the meeting "was totally illegal." She stated the requirements of posting and notifying of the board members

of a special Board meeting.

She rejected the placing of the notice in her slot at the Township Hall as proper notice.

She stated, "every Board member should have been notified." She went on to remind the Supervisor that the title of their body is "The Board of Trustees."

Clerk Bowers finally was prompted to state her dismay over the thought that the Trustees talked to each other over the phone and now say

they were not aware of the meeting.

The Treasurer voiced his support for the Supervisor.

The Supervisor defended his action by talking about the value of the meeting and said he did not have to apologize and that he could defend his actions.

Trustee O'Kelley reminded him that the issue was not the value of the meeting but the meeting may have been in violation of the Open Meetings Act.

Michigan Rocks

The Dearborn-based Wrenfields are a culmination of former members of the MiracleBerries and ex-Killer Flaming's vocalist Noreen Novrocki. Citing their influences as the Beatles, The Jayhawks, Sheryl Crow and Wilco, they have just released their debut CD "21st Century

Pioneer." The CD, produced by Tyler Brown (The Jayhawks, Victoria Jackson) is an album of classic chiming country tinged pop/rock interwoven with honest and heartfelt lyrics. Featuring 13 original tunes, the songs "transport the listeners back to a happy simpler more romantic time of life." My favorite cuts are "Sweet Mother Alcohol," "Courtin' a Christian Girl" and the Allman Brothers inspired "Wondrous." For more info go to www.wrenfields.com.

"All Mankind Love A Lover..."

Ralph Waldo Emerson

FROM THE DESK OF COMMISSIONER SULLIVAN

Wayne County Commissioner John J. Sullivan, D-Wayne, achieved something last year that few legislators can claim: he had perfect attendance for 2001, attending all 30 of the full Wayne County Commission meetings.

But that's not all. Commission Clerk records show that Sullivan also had exemplary attendance in prior years — having attended 25 of 26 Commission meetings in 2000 and all 26 meetings in 1999. In fact, Commissioner Sullivan has only missed one full Commission meeting during his tenure.

"I consider my presence and participation key to representing my constituents and understanding the legislation that impacts them," Sullivan said, after attending the first Commission meeting of 2002 on January 10.

Commissioner Sullivan was elected in November 2000 to his second consecutive two-year term as Commissioner for the 11th District of Wayne County. The district is Wayne County's largest, and includes the cities of Belleville, Romulus and Wayne, and the townships of Canton, Huron, Sumpter and Van Buren.

Last year, he was instrumental in forming the Task Force on Noise Mitigation and served as its Vice Chair. The Task Force met throughout 2001 to recommend a plan to revamp the problem-ridden soundproofing program for homes adjacent to the airport.

The Task Force's work resulted in the Wayne County Commission adopting a new contract on November 1, 2001, to rectify the existing noise mitigation plan, using the services of a single, experienced firm — as opposed to several contractors as in the past. Timelines were implemented to expedite the satisfactory completion of resident's homes.

Sullivan reflected on some of the Commission's other key actions for 2001.

- Creation of a standing Committee on Airport Operations, of which he is a member, to focus directly on challenges associated with Detroit-Wayne Metro Airport.

- Balancing Wayne County's \$2.7-billion budget to best provide services for County residents.

- Passage of an historic Procurement Ordinance to create increased legislative oversight of contracts and provide greater checks-and-balances to improve

County business practices, and

- Approval of a Memorandum of Understanding to enhance continuity at Detroit-Wayne Metro

Airport in working towards completion of the Midfield Terminal expansion project scheduled to open February 24.

Your Cosmic Link For The Week Of Jan. 24th thru Jan. 30th

Aquarius Jan 21 - Feb 19

Lazy days come and go as you count down to travel time. Send spouse on special errand but be sure he knows why. Children call but say nothing. Mystery builds. Lucky #416.

Pisces Feb 20 - Mar 20

Look to religion for group activity. Be prepared for unlikely announcements. All comes into the light as world events heat up. Watch friends closely. Lucky #397.

Aries March 21 - April 20

Where you find your picture hanging may not be sign of the true you. Ask yourself why! co-workers astonished with expectations in new economy. Save pennies now! Lucky #043.

Taurus April 21 - May 21

Washer and dryer work overtime but is anything getting cleaned? Take children for weekend away. Give yourself a break from daily grind of 24 hours T.V. news. Lucky #186.

Gemini May 22 - June 21

Running to! Or running from! Answer lies in directions of foot steps. Asking for answers only leads to more questions. A circle of truth may never be found. Stand tall even if short. Lucky #736.

Cancer June 22 - July 23

Children play at feet. Not their fault it's cold outside. Sit by best friend's side during stressful week but don't forget. Those who need you. Pet the dog and relax, you can't stop this snow. Lucky #949.

Leo July 24 - August 23

Play trip south! May travel sooner than think for fun in sun. Watch for ice on bridge as travel to town. Recent communications have you wondering who is at what end. Burn candle slowly. Lucky #864.

Virgo Aug 24 - Sept 23

Message delivered and received. But not understood. Take time out from busy schedule to sit with children and play their games. Be prepared to "click" into adult mode when game time over. Ask for help? Lucky #987.

Libra Sept 24 - Oct 23

Boring? Well look at who made it so! Life paths change only if you change. Lost pet returned home but may not be welcome. Send message to loved one. Don't expect return. Lucky #006.

Scorpio Oct 24 - Nov 22

Enjoy preparations for the big game. Usual weekend is a bust. Can't get that starter going but no where important to go! Look in water for answer to hunger. Have knife in hand to cut out life's excess fat. Lucky #761.

Horoscope

William Grover

Sagittarius Nov 23 - Dec 21

Capricorn Dec 22 - Jan 20

Cut out "hang nails" so won't come back. Put lock on door this time. Caution not needed as you travel by foot. All resolutions have been broken, no need to continue to pretend. All see the true you. Lucky #642.

CHOWDER

The soup of the week is another great chowder. This time it's everybody's favorite. Clam Chowder.

This particular recipe was inspired by a visit to Maine. I wanted to add a little more flavor to the old-fashioned style, not that there is anything wrong with the old standard, I just prefer a more savory chowder.

Next week I will have a great alternative to the same old Super Bowl Chili.
